

We listen - comments, compliments, and complaints

Each year Carers in Hertfordshire supports hundreds of carers in their caring role. We are committed to providing a high quality service to everyone who contacts us or uses our service. Hearing from people who have used our service is really important to us, it helps us to look at how we do things and to improve our service in the future.

So, if you have any suggestions or if you have been pleased by the quality of service you have received from any team or individual, please do let us know.

If, on the other hand, you have been dissatisfied in any way, please tell us, as we continuously seek to improve our service. If you wish to make a complaint, we will tell you how to do that.

We welcome feedback in whatever way is easiest for you, so please do get in touch in one the following ways:
