

Dementia Carers' Forum

If you look after someone who has Dementia, this Forum gives you a chance to share your views and experiences and tell us or those who commission or provide services in Hertfordshire about how they can be improved.

You can also meet other carers and find out about support near you.

Join us on

We are happy to discuss travel arrangements with carers without their own transport. We can also cover the costs of alternative care to enable you to attend.

making carers count

At this forum we will be looking at Assisted Technology and the different types of equipment available to support carers and people with Dementia. We will also discuss how Hertfordshire County Council is developing its strategy, future initiatives and opportunities.

Our guest speakers will be **Stephanie Bevan**, Marketing and Relationships Officer from Herts Careline and **Nushrath Khandoker**, a Graduate Management Trainee at Hertfordshire County Council, working in the Assistive Technology team within Adult Social Services.
