

Learning Disability Carers' Forums 2018

If you are caring for an adult who has a learning disability our forums are a good place to meet other carers in a similar caring role to you. At the forums you can receive information and hear from speakers about issues relevant to your caring role.

You can also share your experiences and views about the health and care services in Hertfordshire with those who plan or provide them, to help improve the support that is available in the county.

About Carers in Hertfordshire

We are the leading charity that supports unpaid carers throughout Hertfordshire. We are partly funded by Hertfordshire County Council and the NHS in Hertfordshire. In partnership with them and other local organisations, we provide services to carers to help them with their caring role, improve their health and wellbeing, give them a break from caring and have a voice in shaping services.

We support carers of all ages, including children.

The Crossroads Care Service (previously Crossroads Care Hertfordshire South) is now part of our charity. This Service is regulated by the Care Quality Commission and is available in Hertsmere, Three Rivers and Watford. It includes domiciliary care and Helping you Care (Carers Breaks).

Our support for carers of an adult with a learning disability

We have a Learning Disability and Autism Involvement Worker who can support you in speaking up about the services that you, your relative or friend use. They can also help you to have a voice in service planning and performance monitoring. We also:

- Provide training and learning opportunities;
- Give you a chance to meet and talk to other carers in a similar caring situation;
- Offer a Carers' Passport discount card that gives savings in shops, restaurants and other venues (contact us to apply for one.)
